Abstracts

Adjectives are words that describe or modify a noun in the sentence.
Adjectives answer the questions *What kind?* *How many?* or *Which one?*

Directions: For each sentence, include an adjective or adjective phrase that answers the question.

1. The rock in my collection is my favorite. (which one?)
2. My mom made pie for the school bake sale. (what kind?)
3. We planted pumpkin seeds in our backyard garden. (how many?)
4. The wagon that pulled the printers traveled long days. (what kind?)
5. There are flies buzzing around our picnic food! (how many?)
6. Captain Holdings anchored the boat on the island. (which one?)
7. The stars formed the newest constellation. (what kind?)
8. Pete had pennies saved since he was a child. (how many?)
9. The leaves on the tree in the park are changing color. (which one?)
10. All of the shirts in my closet are too big for me. (what kind?)
