Try your best to serve your customers, keep them happy, and earn points to level up.You have just begun an amazing summer job at an ice cream dessert shop. Here, you need to serve the customers with the best sundaes and earn tips based on their ratings. Well, things might get hectic when many customers arrive at the shop at the same time. Are you ready to serve the best sundaes, keep the customers happy, and earn points to level up?What is Papa's FreezeriaPapa's Freezeriais the fourth installment of the Papa Louie restaurant management game series where you must run a dessert shop and serve delicious sweets and sundaes to customers. The game takes place on Calypso Island. In this game, youare responsible for a dessert restaurant while Papa Louie is away. Take orders from the customers and make the sweets exactly as their order without making any mistakes. You have to make the sundaes that customers want by pouring ice cream, adding syrups and mixes, blending the mixtures, and then adding toppings.The ice cream shop has four different areas: the Order Station, Build Station, Mix Station, and Top Station. As a player, youll have to move between these areas of the restaurant in order to make your customers desired sundaes.Like other Papa's Games, your goal here is to keep the customers happy so that you will earn points to level up. As your level goes up, new toppings for the shop will be unlocked, and more people will come to the Freezeria. Well-crafted sundaes will earn players tips, and you can spend those tips on new upgrades and decorations for the shops lobby.The gameplay is full of joy and easy to understand, so people of all ages can enjoy it. It's a fantastic game inthe Papa game series. Lets make Papa's Freezeria your unique ice cream paradise.How to play Papa's FreezeriaThe game is easy to play, and youll have to multitask between the four areas of the shop to make delicious sundaes.First, you have to select the character you want to play. You can play as either Albert or Pennyandtake orders from the customers at the Order Station. Next, youll move to the Build Station to pour ice cream and combine it with mixables for each sundae.The next area you need to head to is the Mix Station. Heres where you mix sundaes until they are blended just right at the level that your customers want.Finally, jump to the Top Station to add whipped cream and toppings (dont forget the cherry on top) before serving the dessert to your customer.When playing Papa's Freezeria, youll find each station in the game a hands-on experience. Everything you have to do is drag, swipe, and click on or tap through the sundae-building process.There will be challenging Closers and Food Critics visiting your shop to enjoy sundaes. They are picky customers and are likely to rate your sundaes with fewer points than other customers.ControlsYou can use your left mouse button to play the game.FeaturesRestaurant management gameCool graphicsDelectable dessertsRewards and tips as you satisfy the customersFrequently Asked QuestionsCan I play Papa's Freezeria for free without Flash?Yes, you can play this game for free without Flash on our website. Start by carefully completing each ticket before moving on to the next one. You are going through each step in preparing a delicious meal. You can also improve your performance in testing? Keep an eye on this training! How can I achieve the best customer satisfaction?How To Play Papa's Games?The world of Papas Games, including popular titles like Papa's Pizzeria and Papa's Freezeria, has a wide variety of games. Each game has a different type of food as well as the specific process of making it. But in general, cooking gamesbelonging to the Papas Games series all share the same principles and objectives.Objectives in the Papa Louie gamesPapa's Games Online is a series of games where you can choose to manage many of Papa Louie's restaurants with manydelicious dishes around the world.The main character inthe series is Papa Louie. He is a friendly Italian chef who owns many Papa's restaurant franchises. As a player, you will take on the role of a restaurant employee with the mission of preparing a specific type of food (for example,pizzas, tacos, burgers, candies, sundaes, or whatever else depending on the game you are playing), serving customers, keeping them happy, and earning tips while Papa Louie is away. Try to deliver the best dishes and services to make the customers happy.StationsIn almost every game, you will need to take your customers orders at the Order Station first.After taking the orders, you then move to the next station (the Mix, Grill, Cook, or BuildStation) to gather and prepare all the ingredients for the food.You may also need to add toppings like syrups, whipped creams, and more to the food based on the customers preferences.Note that every restaurant has its very own steps and ingredients, so follow and remember the game instructions precisely so that you will master all the steps to make the food. Go through all the stations and prepare the food as quickly and accurately as you can.Upgrade and rewardsWith the money and tips earned by serving the customers, you can save up for upgrading your restaurants or buying equipment and items you want in the game, like a new car or a ticket to the amusement park. You can also unlock more ingredients to diversify your recipe! One thing that you need to remember is that you can earn more money if you make the customers happy by delivering the food as quickly and precisely as you can.Best Papa's Games To PlayExperience the world of Papas Games through this complete series. The are a popular element of our kids games collection. While most games in our collection do not contain ads inside the games, these games promote the associated mobile apps from their developer when the games load. The games leverage Ruffle emulation to render Adobe Flash files in modern web browsers. This page features 3 sections: Papa's GamesPapa's Bakeria is a pie baking simulation game. Take down customer orders, grab the crust they like, add filling, bake the pie to perfection. After the pie is cooked pull it out of the oven, add the desired toppings, and serve it to the customer. Fish orders correctly and swiftly to maximize your tips and meet your daily earnings goals.Papa's Burgeria is a cheeseburger restaurant simulation game. Choose your character and enter their name. Take customer orders, grill the meat on both sides to their specification, pull the meat off the grill and go to the build station. On the build station grab the bottom bun, set the meat on it, and add the other required toppings in the exact same order as they are shown from the bottom up. Set the order ticket on the tray and serve the customer their order. Finish each order quickly and accurately to maximize your star rating and earn a big tip.Papa's Cheeseria is a grilled cheese restaurant simulation game. First select your character, select a save spot, and then go through training. Take the order from each customer, grab the bread they desire, select the cheese they want, put any desired toppings in the middle, then grill the sandwich. When grilling be sure to cook both sides to their specification, flipping as needed, then pulling the sandwich off the grill. Next cook any fries they want with their order and put on any toppings. Grab their bill and serve the customer their order. Finish each order accurately and quickly to earn a high customer rating and get a big tip.Papa's Cupcakeria is a cupcake baking simulation game. Grab customer orders, select the wrappers they want used, pour the right batter flavor correctly, cook the cupcakes to perfection, and then add the required whipped cream, sprinkles, sauce, and cherries. Serve the customers quickly using the correct quantities of the right ingredients to earn a high star rating and a big tip. Satisfied customers help you reach your daily goals and advance through the game.Papa's Donuteria is a donut shop sim game. Tap above a customer's head to take their order. For each donut they order select the correct dough type, roll it, then stamp out the correct donut shapes. Next fry the donuts and flip them. Finally add toppings like chocolate and sprinkles to the donuts, then bring them to the customer. Match their order perfectly and serve them quickly to earn a big tip. You are scored based on using the correct ingredients, creating the correct donut types, cooking them to perfection, and using the right toppings.Papa's Freezeria is a milkshake making game. Select the customer to take down their order. Next go to the ice cream machine to pour ice cream as your base. Add flavor mixes the customer requested and then blend them to perfection. After blending the milkshake add any other toppings requested including whip cream, cherries, cookies, and sauces. Serve the customer quickly with their desired order and earn a big tip. Exceed each day's daily quota to advance to the next.Papa's Hot Doggeria is a simple hot dog vending business. Take each customer's order, cook their hotdogs to perfection, add the toppings they request, and then give them any soda or popcorn they wish on the side. Serve customers quickly and accurately to earn a high rating and a big tip.Papa's Pancakeria is a pancake serving simulation game. Take customer orders, grill the quantity of pancakes they request to perfection - flipping at the right time and then pulling them off the grill. Next build their flapjack stack adding toppings like fruit, butter, and syrup. Use your income to purchase shop upgrades and decorations. After each day you can play a minigame to win bonus income or other character building attributes. As you level up you unlock additional game features.Papa's Pastaria is an Italian restaurant simulation game. First, take the customer's order. Next cook the correct pasta type to their doneness specification - don't forget to stir and fully strain. Nexta add pasta sauce and other toppings. Finally, give them bread to complete the dish. Each customer will score you based on the quality and accuracy of your dish. At the end of each day play a minigame where you grab pasta while riding in a gondola. Use your daily income to upgrade your store's features & furnitures along with your attire.Papa's Pizzeria is a pizza restaurant simulation game. Take customer order from the order station, add toppings to the pizza in the topping station, bake the pizza in the baking station, then slice the pizza in the cutting station based on how many slices the customer wants. Customers grade your service quality based on waiting time, toppings placement, baking to their liking, and slicing accuracy. As you progress through the game you unlock additional customers and game features.Papa's Scooperia is a dessert shop which fuses cookies and ice cream, serving customers a well-balanced diet. First take the customer's order. Next go to the dough station and slowly scoop out the cookie dough and dip it in any flavoring mixes requested. Bake the cookie to perfection at the bake station. After baking the cookie move it over to the build station. Add the ice cream and any other toppings the customer requests including whipped cream, syrups, nuts, cherries, and cones. Deliver the customer's orders accurately and quickly to earn a high service score and a big tip. At the end of each day you can play an outfit memory mini-game and can use your tips to buy store upgrades. As you advance through the game you unlock more customers and ingredient types.Papa's Sushiria is a Japanese sushi and boba drink restaurant sim game. Take the customer's order, then go to the cook station. Cook the white or brown rice, add vinegar, roll out the seaweed, and go to the build station. Flip the roll wrap if they want rice on the outside. Neatly place the sushi inside the wrap, then roll it up. Add any spices, seasoning sauces, or toppings they want atop the sushi. Cut the sushi neatly into even slices. Go to the boba machine and pour their base tea, flavoring, and add the pearls to complete the drink. Customers will grade you based on the speed and accuracy of your performance. After each day you can play a home run derby minigame. Use tips to decorate your store and improve your wardrobe. As you progress through the game you unlock additional customers and ingredients.Papa's Taco Mia is a taco restaurant simulation game. Take customer orders, then go to the kitchen. Cook their meat, cutting and flipping as needed, then pour the cooked meat into the taco shell. Next take the taco over to the build station to add vegetables, beans, sauces, and any other ingredients the customer desires. After serving each customer go back to the order station to get the next customer's order. Pay extra attention when serving closers as they are more demanding and are tougher graders. As you advance through the game you encounter different customers and unlock new ingredients like soft tacos, different meats like chicken, and more toppings. Spend your tips to decorate your shop and upgrade your character to earn even more.Papa's Wingeria is a chicken wing restaurant sim game. Take customer orders, fry their wings, add sauces, then place the wings on a plate with sides in the build station. Drag the chicken wing tub over a frier and spin clockwise until the correct quantity is reached. Pull the wings out when the meter is at the white line. You can inspect the wings by scrolling over the frier, though doing so pauses cooking. When adding sauce pick the correct type, then time your movements with the green arrows to shake the wings to coat them evenly. If a customer orders wings with two different sauce types you must cook them separately so that they are split apart from each other while adding sauce. Neatly place the wings, garnish, and dip on the plate. The wings and vegetables should be spread evenly in a pattern around the perimeter of the plate, with the dips being placed atop the lettuce in the center of the plate. Customers score you based on your speed and accuracy, which help you level up and earn big tips. In between each day you can play a burger stacking minigame or other minigames like a hot shot sauce shooter to win prizes. Use your tips to decorate your lobby, change your wardrobe, and improve your restaurant. As you advance through the game additional ingredients are unlocked and new customers visit the store. Papa Louie is a platforming adventure game featuring an intrepid chef and many angry pizza ingredients. Use the left and right arrow keys on your keyboard to move side to side. Tap the spacebar to jump. While in midair hold in the spacebar to glide. Pick up heart containers to restore health, and grab any coins and pepper bombs you come across to boost your score and collect ammo. Hit enemies by pressing the Z key. You can also hold the Z key in while walking from side to side and release the Z key to hit enemies. Press the X key to throw a pepper bomb, though be careful not to hit yourself. When the pizza monster throws cheese wads at you hit them back at him using the Z key, or attack the pizza monsters using a pepper bomb. If you get cheesed repeatedly tap the spacebar to break free. Defeated pizza monsters turn into pizzas. Press the down arrow key when standing over a pizza box to carry the pizza to the end of the level. Jump on platforms connected to pully systems to free trapped kids to beat each stage.Papa Louie 2 is an adventure platformer where you help a chef defeat the evil forces of cheeseburger. Jump using the up arrow key. Move side to side with the left and right arrow keys. Press the down arrow key to duck or slide down hills. Jumping on most enemies stuns them. Press the spacebar to hit nearby enemies with your spatula. Most enemies are defeated with a single hit, though cheeseburgers require many hits, with each hit knocking off a layer. Collect coins and heart containers as you progress through the levels. Ask yourself not what burger can do for you, but what you can do to burger! Papa Louie 3 is a platforming adventure game where you fight sundaes and their ingredients. Move left and right using the arrow keys on your keyboard. Press the up arrow key to swim up or jump. Press the down arrow key to swim down, duck, or slide down a hill. Press the spacebar to swing your flag at enemies. Most enemies can be defeated with a single hit, though sundaes take 3 hits. Sliding down a hill can hit enemies, and enemies can be stunned by jumping on them. Each level has goals in it including rescuing team members, collecting coins, defeating sundaes, and finding secret ingredients. After unlocking additional levels you can go back and replay previously beat stages to complete all the goals 100%. Cactus McCoy is an adventure platforming game where you play as an intrepid cactus. Move side to side using the left and right arrow keys. Press the A key to jump, or to grab ropes and ladders. Press the down key over a weapon to pick it up, or over a treasure chest to open it. Press the down arrow key and A to jump down off a platform. Hit the S key to hit enemies with your fists or to throw weapons in the direction you are facing. Press the up arrow key and S to throw a weapon upward at enemies. Press the D key to drop a weapon. Pick up coins enemies drop, as you can use them to upgrade your attack skills, health, and defense. Each stage contains a variety of goals like collecting all the treasures, finishing fast, taking clothes off the clotheslines, destroy tumbleweeds, defeating all the enigmos, and defeating enemies using eggs. The game features 12 zones on the map & you can replay previously beat stages to complete goals you missed on prior plays.Jack Smith is a blacksmith simulation game. Take customer orders, select the correct weapon type, then pour the metal. Each fighter will then grade you on your forging skills along with how aligned the sword handle or arrows are. Swords will be graded on hammering activity while bows are graded on how even the stretch is. After all weapons have been made the fighters then go on and attack beasts. Most of the fighting activity is automatic, but the quality of your weaponry determines how long your fighters will fight and if they will beat all the enemies. Each time enemies get hit they may drop loot which you can pick up for inventory by scrolling your mouse over it. After a few days you obtain a cannon which you can fire periodically at enemies to help your troops. As you progress through the game you unlock new weapons and face more powerful enemies. After a couple days you unlock a shop where you can buy additional supplies including sword grips, arrows, shields, poles, guards, caps, and ore.Rock Garden Deluxe is a colored rock matching video game. Use your mouse left click button to select a rock and drag the mouse to slide the rock. Repeat the process until each collection of colored rocks is matched in a group with all other rocks of the same color. Finish levels quickly to earn up to 3 stars on each stage.Steak and Jake is a unique match 3 game where you control the color of a bird by selecting groups of 3 or more identical colored bubbles below. When the bird is a particular color it can break blocks or fill in blocks of the same color. Simply click on the block or block position to break or make it. Enemies on your path can be defeated by turning into their color and tapping on them. The cow automatically walks right. You have to use the bird to make the path safe. You can also grab the cow and trick or treaters with your mouse and lift them up a row or drop them down a row. Our Company
