You use it to show that you like someone or something, or that something gives you pleasure. I got a nice hat and a green dress. Some people object to the use of nice because they say it does not have a clear meaning. This is only partly true. 2. talking about people When you use nice to talk about people or their behaviour, its meaning is clear. If you say that someone is 'a nice men. We've got very n something. This is a way of showing gratitude when someone else, they are behaving in a pleasant and friendly way. It's nice of you to say that. If someone is being nice to someone else, they are behaving in a pleasant and friendly way towards them, even though they may not like them. Promise you'll be nice to her when she comes back. 3. talking about enjoymentYou can use nice with some nouns to talk about spending time in a pleasant way. This is a very common use. For example, if you say 'Have a nice evening', you are saying to someone if they enjoyed their recent holiday. They were having a nice time. 'You too.'4. talking about things and places In conversation, you can use nice to say that you like a thing or place. However, in formal writing it is better to find another adjective which expresses your meaning more exactly.... a bottle of nail polish in an attractive shade. It is one of the pleasantest places I know.5. 'nice' with other adjectivesIn conversation, nice is often used with other adjectives. For example, you can say that a room is nice and clean. It's nice and peaceful here. I want a nice, warm, comfortable bed. Collins COBUILD English Usage HarperCollins Publishers 1992, 2004, 2011, 2012 Noun1. He was too far away to hear their doors shut; but every door in the coral caves where they live rings a tiny bell when it opens or closes (as in all the nicest houses on the mainland), and he heard the bells. Aunt Jamesina, carried away by his unfailing and deferential courtesy, and the pleading tones of his delightful voice, declared he was the nicest young man she ever knew, and that Anne was a very fortunate girl. It was Tommy Drake and Fanny Marsh that furnished the sugar - nice children, the nicest at the post, I think. He was a fine, majestic creature, a gentleman according to the nicest requirements of the Virginia rule, a devoted Presbyterian, an authority on the "code", and a man always courteously ready to stand up before you in the field if any act or word of his had seemed doubtful or suspicious to you, and explain it with any weapon you might prefer from bradawls to artillery. Undoubtedly the nicest way to get married is on the table on which they were being set out, but the nicest of all was a pretty little castle made of cardboard, with windows through which you could see into the rooms. As we went along, Kitty and I drew up the blinds, and pretended there was nobody in the coach; and I should have gone so all the way, if Kitty had not been sick; and when we got to the George, I do think we behaved very handsomely, for we treated the other three with the nicest cold luncheon in the world, and if you would have gone, we would have treated you too. The word 'nicest' is the superlative form of 'nice', which means pleasant, agreeable, or delightful. It is often used to describe someone who is exceptionally kind, friendly, or considerate. When we refer to someone as the nicest, we are indicating that they stand out
