Adventurers can still follow this guide, but will be noticeably slower due to the limitations of Free-to-Play. Skip to content View source Introduction Levelling in AQ is tedious; this guide hopes to make it as pain-free as possible from character creation to 150. At level 35, make sure you upgrade your stats appropriately for the next method you've chosen, as you will likely run out of gold otherwise. XP boosts will make it a lot faster to level up in AQ3D. Do use imbue with lore. Level INT END 10 50 0 14 65 0 20 65 0 26 65 0 30 80 0 40 150 50 50 150 100 60 150 150 70 200 150 80 200 200 90 250 200 100 250 250 After maxing out both INT and END, no other stat investment is required. It is highly recommended that you will buy a house as soon as possible and use house farming as it is a more time efficient method of farming. The most popular and best spot for this is Whitaker Forest inside Heartwood Forest. Reddit and its partners use cookies and similar technologies to provide you with a better experience. If you chose to use Celtic Wheel ensure it's toggled to boost INT. Pyromancer's Robes (Wizard Class Shop) You'll want to use Pyromancer's Robes anytime D-Burst seeks to fire. Minimal non-farming is done (IE this guide assumes all that will be done is farming to 150 with as little extra work required as possible)Adventurers can still follow this guide, but will be noticeably slower due to the limitations of Free-to-Play.
