You and your friends were travelling across rural America on a road trip when your engine suddenly cuts out. After spending hours trying to fix the car, you give up and begin searching for a place to stay the night, managing to stumble upon a run down farmhouse which operates as a bed and breakfast. You knock on the door and to your surprise, a very well dressed and articulate butler opens the door, provides you with a tot of brandy to warm up and shows you up to your room. You collapse onto your bed and the night's activities suddenly catch up with you and your eyes begin to close. The last thing you remember is darkness encroaching your vision, your head dropping and a dark figure moving towards you with a sack... Please note: Players 13-15 years of age must have an adult (18+) present. If there is no one 18+ then any one under 16 will be denied entry with no refund.Please note that you may be asked for ID. We played The Haunted Toystore, The Orphanage and The Butcher as a team of 4 with Alex as our host. The games were great and Alex really added to the experience. Looking forward to doing the others!Page 2We had one of the Agents come to our offices for a social evening. There was very little we had to do, they came prepared and the setup is so simple and yet so effective! We were given enough information to start investigating, and then left to it! The agent was on-hand to help with small hints to ensure we were able to navigate the murky world of corruption, espionage and mystery! The task itself is difficult enough to get stuck in, but not impossible! All the team loved it and had nothing but good to say! I have recommended this to friends and colleagues!
