MINI Voice Commands: The Ultimate Hands-Free Driving ExperienceMINI Voice Commands are designed to make your driving experience more enjoyable and safer by allowing you to interact with your car using a smart voice-activated system. With MINI Voice Commands, you can perform various tasks such as navigation, hands-free calling, and accessing menus without taking your hands off the wheel.The technology behind MINI Voice Commands is advanced and offers a wide range of features, including GPS directions, song and radio station selection, and menu access. You can also use voice commands to check your tire pressure and oil level while driving. To get started with MINI Voice Commands, simply press the Voice Command button on your steering wheel, wait for an audible tone, and speak clearly with a command.New 2025 models of MINI cars and SAVs equipped with the 8.8-inch navigation system come with MINI Voice Commands as standard feature. For more information or to learn how to use this feature, you can contact our customer service team at 844-596-4278.
