Albion leads the United States in the production of airplanes and is also a fast grower of machinery.

Albion manufactures a large amount of diesel engines and farm machinery.

Albion is the largest of the United States in the production of airplanes and is also a fast grower of machinery.

Albion manufactures a large amount of diesel engines and farm machinery.

Name : _____

MISS PALEENA

CURSIVE HANDWRITING PRACTICE

Read and rewrite the sentences.

The reindeer is big.

The reindeer is big.

The reindeer can fly.

The reindeer can fly.

Read the passage. Then rewrite the passage using your best cursive writing.

Metamorphic Rocks

Metamorphic rocks are rocks that have been changed from their original form. They are formed from igneous, sedimentary, or metamorphic rocks under high temperature and pressure. The heat and pressure cause the rocks to melt and fuse together. The fused rock is pushed up through the Earth's crust and emerges as a new type of rock. Some common types of metamorphic rocks are marble and gneiss.

CURSIVE HANDWRITING PRACTICE

These four features are listed at the bottom of each sheet, perfect if you want to rate students, or for you to rate students. These students in this package include St. Patrick's Day, Women's History Month, the first day of spring, etc. Use your own font with the editable options available!
