Do you know a couple that's made it through despite rough times? Her husband was everything I imagined him to be, and it was obvious that even after their decades together, there was a deep and abiding love there. It was just wonderful. 3 Resolution: PNG Size: Download PNG Dinner was made even more poignant by what I know of their history. What do you think made it work for them? Where we degenerated into thinly veiled contempt, they held onto mutual respect and because of all of that, their marriage survived and thrived while ours is done. People who don't throw up their hands and just call it quits when the going gets rough. There are people out there who value marriage still. In fact, her married life and mine have some really surprising parallels, made all the more interesting by the fact that she and her husband handled them in an entirely different manner than Peter and I did. It gives me hope for my future, and any relationships I might have eventually. More works from Segocha Similar stickers I had the extreme good fortune of being able to meet up with an old friend this week. We hadn't seen each other in twenty-five years. This content is created and maintained by a third party, and imported onto this page to help users provide their email addresses. Certainly, I don't know it all, but I do know they've had their share of ups and downs emotionally and financially - much as all couples do. I also got to meet her husband, finally - she and I both moved out of our hometowns to opposite parts of the country and life being life, we just never got together again after that. Where we shut down and didn't talk, they kept the lines of communication open. We only managed to get a dinner in due to time constraints, but it did my heart good. You'd think that would make me sad, but really, it was a big shot in the arm. People who are willing to work at it for the sake of their kids and for what they know they could still be to each other. She and I have known each other since the sixth grade, and were best friends through high school and into college together.
