

e: This post may contain affiliate links. Erin Hunter's popular fantasy book series, Warrior Cats, centers around a clan of wild cats living in a forest. I personally read the first few series in elementary and early middle school, and while these book series are aimed at younger readers, they do not talk down to readers living them still enjoyable for an older audience. If you did not know, Erin Hunter is actually a pen name for four different authors, including Cherith Baldry, Kate Cary, Victoria Holmes, and Tui T. Sutherland. All of these authors have also worked on a variety of other books outside of the Warriors book series as well, seried in the warrior cats series written by Erin Hunter. The book follows the story of a you haven't tried Scribd yet, you can try it for free for 30 days!Into the Warrior Cats series written by Erin Hunter. and all the Warrior Cats books in order of publication. This will help you get into the series without reading out of order or being confused by references to past events. You will also learn more about the author, Erin Hunter, who doesn't even exist! Erin Hunter seems like an apt name for a book where cats have to hun power. The name of the author fits so perfectly with the series' theme because the name is made up. What kind of author would make up a pseudonym that would be tied to only one type of book, though? The kind of author invented to write only one series. Yes, Erin Hunter is a pen name created by HarperCollins for ks. The name represents the work of Victoria Holmes, Clarissa Hutton, Kate Cary, Inbali Iserles, Cherith Baldry, Tui T. Sutherland, and Rosie Best. These authors wrote Warriors books that were edited to maintain tone consistency. The credit for each Warrior Cats book written by one or more of these authors goes to exist. Warrior Cats Books Click For Latest Price It is impossible to read the Warriors/Warrior Cats books without knowing the proper origin story. Fortunately for the readers, the Warriors series starts with the origin story of Firestar. Starting as Rusty, the domestic housecat, the protagonist ventures into the formula cats. After joining the Thunder Clan, he adopts the name "FirePaw" and seems to be doing well as a trainee hunter. The plot thickens when he is framed for fantasy readers as well as readers of adventure fiction. The world-building and stakes set up in the Warrior Potter's Wizarding World and Tolkien's Legendarium. Whether one agrees with such comparisons or not, it is pretty evident that the Warrior Cats books are meant to be read chronologically, and this is the best book to get things going. Click For Latest Price Considered part of the same saga as the previous entry.	or Warriors and other similar o Erin Hunter, a person who rest, where he joins a clan of riors series are compared to
k in the Warriors series. This entry follows the Firestar as he aims to expose the clan deputy, whom he suspects to be up to no good. It brilliantly positions the reader in Firestar's shoes, making one empathize with a cat. But this book isn't among the top Warrior Cats books because of how immersive it is. It is acclain umentation of Firestar's rise. It is a Shakespearean tale of righteous ascension, albeit with a much more positive conclusion. Click For Latest Price While no longer focused on Firestar and his saga, Midnight kickstarts a new adventure within the world of warrior cats. It is considered one of the best Warriors books because of "Into The Wild." At the same time, the world of feral cats looks much bigger as a new generation of warriors takes center stage. In this installment, it is Firestar and Tigerstar's kids who are destined to clash. The story has elements of fate and a hero's journey that make it a varrior Cats lore. Click For Latest Price The final installment of its saga sees the son of Tigerheart as an unlikely hero, with doubts about his heroism that keep the reader turning pages. Brambleclaw, being the son of the previous arc's villain, seems suspicious, especially when he has dreams, after which he considered one of the books in the order listed earlier in this post. Click For Latest Price While no longer focused in Firestar's show in the saga, you can still understand where the ship lands and can venture into the next set with a fair idea. Still, it is best to read the books in the order listed earlier in this post. Click	ned for its pivotal ecause it brings the debut a great read for anyone initiated s usurping the ThunderClan
best Warriors titles in terms of grabbing adult interest. Despite being a children's novel, this reads like a mature mythological masterpiece. While the premise is childish on the surface, the tribal politics and life-and-death stakes of feral cats' drama draw the reader into Erin Hunter's world. The conspiracy and maching Shadows include murder, false paternity, and the shadow of a prophecy where three kin would hold the power of the stars. It is a great read for anyone who has read the rest of the books in the third Warriors series. Click For Latest Price This book kicks off the Omen of The Stars series and formally introduces support to the properties of the books in the third Warriors series. Click For Latest Price This book kicks off the Omen of The Stars series and formally introduces support to the properties of the book, the cat clans are all facing a common enemy but lack the unity required to overcome it. The cats have to balance cooperation and competition as the drought in the down the cat-vs-cat dial for a while and explores other themes. Of course, the favorite cat villain elements are present in the book, so Warriors fans won't be disappointed. But those who might be afraid of repetitive narratives in the overall meta-series would be pleasantly surprised by the fresher storentice. Click For Latest Price This entry wraps up the Omen of the Stars saga and has a cathartic payoff for the people who have followed the series since the first installment of the original Warrior Cats. The Last Hope has revered and beloved characters on both sides of good and evil go into a final battle one last the people who have followed the series since the first installment of the original Warrior Cats. The Last Hope has revered and beloved characters on both sides of good and evil go into a final battle one last the people who have followed the series since the first installment of the original Warrior Cats.	erpowers to the Warriors in the forest worsens. It is a orytelling in The Fourth ime. The Last Hope would be
best Warriors book if it weren't for chronology. It has excellent references, plot movement, and a conclusion, but it all feels hollow unless you have read the rest of the books up to this point. Click For Latest Price Path of Stars tells a story that takes place in the new status quo of a new world built after the events of more important, and the new generation that has ascended to leadership in all groups has to band together to fight Slash, a common enemy. Any infighting among the organized clans would give way to Slash, who is a chaotic force that commands an army of rogues. Click For Latest Price This installment is seen as a chaotic force that commands an army of rogues. Click For Latest Price This installment is seen as a standalone read, and magical elements alongside high fantasy themes peak in this book. It impresses with its ability also but is at the bottom of the list because of the burden of reading. A Light In The Mist makes no sense as a standalone read, and its chronological placement becomes its greatest liability. You need to read at least five books within the same saga to make sense of it. But if you have read those, then you will find this to the recent sagas of the Warriors. There are 14 Warrior Cats books altogether. They are split into multiple sagas, with each saga containing three or more books. Warrior Cats is for ages 10 and up but has themes of violence. Murders are investigated, and some cats turn up dead. Warrior Cats has an animated TV ries, each adapting the events of the book series pretty faithfully. There is no profanity or sex in Warrior Cats. Romance is limited to a crush. However, there is violence in the book. The Warrior Cats books are a multi-saga story that appeals to the imagination of little kids and young teens. It is a long story that is written.	the meta-conclusion to the ity to tell a story with great specific entry to be among the show and a few animated
ugh spin-off content for people who get into the world-building and fantastical aspects of it. Get the books in the order listed in this post to get your child to take an interest in reading. The Warrior Cats series is one of the most popular series for children and young adults. With a fantasy world where you are taken on immunities of feral cats, it's sure to take you into another world. The order you should read the Warrior Cats is from the first series to the last. If you don't mind spoilers, you can read the books in any order you like, but the captivating stories are much better experienced in the order they were written. In the rest of the last of the Warrior Cats, what order the books come in, and a few interesting facts about the series. Whether you're a cat lover or not, this is a must-read for your child. There are a considerable number of Warrior Cats books, and they're still being produced to this day. Since 2003, there has been such a surge in population of the warrior Cats books, with 6 different series and 4 spin-off series. Each series has a separate story arc. These gems are still being produced in 2022, and they will likely continue for a while due to their continuing popularity. Some of these books are just novellas. There are even Warrior Cats comic books. If you're a fan of these series, there are endless entertainment opportunities. Most people prefer to read books in the order they were written, primarily because they were written as a chronological series. However, you may have heard that one particular books.	n wild and vivid adventures with his article, I will delve into the larity for this series that it was e over 500 pages long, and some
want to start with that. This is understandable since there are over 60 books, and you may not have the time or the patience to get through them all. You don't have to read the Warrior Cats in order, but it is highly recommended. In reading some of the books in random order, you are depriving yourself of the exquision and the books so popular in the first place. If you want the books to make sense to you, it is best to read them chronologically. Some readers say that many of the characters don't make complete sense when you don't read the books in order, which means that reading them in random order might get a little confuses that have made the books so famous will be lost on you if you read the books out of their intended order. If you don't mind spoilers, go ahead, but to get the full experience, I suggest you read them in order. If you don't like spoilers but aren't mentally prepared to read all the books (which is fair enough, considering could always read one and skip one, and so on. However, even if you do this, you'll probably be so enticed by the next chronological book that you won't want to skip it. It's up to you since your reading experience is personal to you at the end of the day. The six series of the Warrior Cats are as follows: Into the Wild retsRising StormA Dangerous PathThe Darkest Hour As I mentioned, each of these series has multiple books, so you'll probably want to set aside a fair bit of time for reading. However, it's worth it, and even The Guardian has defended the series. So, if your child is a cat lover, or animal lover in general, they will like up to the Warrior Cats is meant for is children aged 8 to 12. However, these books can get fairly graphic at time.	ite details and plot twists that using. Some of the twists and g how vast the series is), then Fire and IceForest of ely adore these books.
