This game is all about FutuDom and Chastity, giving you a chance to explore new sides of yourself and your desires. You play as a young student who suddenly finds himself in an alternate world ruled by powerful, wealthy women. And yes, every one of them wants you to be their personal anal toy. Sounds wild, right? These ladies are each hot in their own way, muscular, commanding, horny, and busty. I can only imagine your shock when you land in this strange new reality. Build relationships, follow their lead, obey, and enjoy everything they decide to do with you. 11.6K 51% 2 Shemales Ren'Py Page 2 Step into the life of Kim Baxter, a dedicated wife, loving mother, and successful police officer on the verge of a big promotion. Her world seems picture-perfect, filled with balance, ambition, and happiness. But everything changes when she crosses paths with Hayden, a charismatic young man who just happens to be her sons classmate. What starts as an innocent encounter quickly spirals into a web of secrets, lies, and buried desires that could unravel everything Kim holds dear. As tension mounts, her families peaceful life teeters on the edge, forcing her to confront choices that could change their lives forever. 79.4K 63% 5 Ren'Py Page 3 Welcome to Silverwood, a town where monsters walk in the streets and Silverleaf University, which is full of strange, hilarious, and thrilling events. This visual novel, set in the Monster College universe, is filled with humor, mystery, and really hot sex. You play as Adam Thorn, a unique vampire who's not quite like the others, which makes him especially intriguing. You'll meet other charismatic creatures, uncover secrets, and have great sex! Can you navigate this crazy world, unveil all its mysteries, and enjoy the ride? Or will the supernatural drag you under? It's all up to you! 28.9K 61% 13 Ren'Py Page 4 Trapped in the humdrum of her daily routine, Mrs. Moore, a seemingly ordinary housewife, felt the weight of her responsibilities pulling her down. The days blurred into one another, each indistinguishable from the last, and she found herself yearning for something more. She longed to break free from the suffocating routine that had swallowed her whole. She had no idea, but fate prepared a peculiar twist for her. One fateful day, she is secretly offered a unique opportunity to change her life. This enigmatic offer held the tantalizing promise of liberation, a chance to reclaim her lost identity and embark on an uncharted path. 162.1K 60% 6 Shemales Ren'Py This is a story about a woman who's now in big debt, actually her entire household and they are now trying to figure out how to survive and economy more money to get back on their feet. So they changed a house and many other things. Now help her to move forward. 300.4K 60% 12 Ren'Py Dive into the enchanting world of Aeons Echo! As the protagonist, you will interact, bond, and evolve with various captivating goddesses. Enjoy an immersive role-playing adventure in a visually stunning universe. Play Free now! 2.8M 100% You are 18 years old and live in Budapest with your parents. You have an attractive girlfriend, you go to school, but your life is pretty boring. And so you decide to slightly diversify the world around you. Your task is to choose what kind of guy you will become: dominant or submissive. Everything depends only on your answers. 2.1M 63% 104 Geje HTML You'll play as a former soldier who is locked in prison because of the mistake that caused death of multiple other soldiers. You want to start a new life and live in peace. But is it even possible to forget your past? Lets see how you'll make your decisions and where they will lead you. 4.3M 70% 747 PolecaneHTML You have been chosen for a very important mission, to win the hearts of mysterious girls known as spirits. But this isnt just a romantic story, because the fate of the whole world depends on your success. Your goal is to gain the powers of these unusual beings and have great sex with them. Each girl has her own personality, her own strength, and her own secrets. Some of them are shy, others are ready to try new things, and a few might test your limits in ways you never imagined. Do you have what it takes to earn their trust and unlock the true power of their love? 35.1K 60% 2 Ren'Py The main character Noah returns home after 3 years of studying abroad. In his last year of study, he realized that the profession of a mechanical engineer was not for him, and decided to transfer to another university to do business. This university promises not only to teach business, but also to expand sexual knowledge. Take a mysterious journey through Noah's life and discover all the sexual practices he will try. 754.2K 61% 87 Geje HTML Assemble your unique squad of sexy mercenary girls. Earn their love and trust, and they will show you their gratitude by bringing your wildest and lewdest fantasies to life! Play Free Now! 2.8M 100% This is an RPG that mixes dating sim mechanics with a visual novel experience where you make choices that affect the story. You play as Alice, a half-succubus who navigates a world full of temptation and depravity. Every choice you make will affect her level of depravity and corruption, as well as her relationships with other characters. There are multiple paths and endings to the main quest, so you can choose how you want to play. You can also explore the town and do different jobs to earn money - from bartending and stripping to working at a maid cafe or even more options like prostitution and cam girl. 72.7K 61% 9 RPG Maker In a world where sex is strictly controlled, people can't see or touch each other until they're 21 and pass an official certification. At this time, men's dicks are measured to determine if they meet certain standards. Those who fall below the beta line face a harsh reality - their vision of female nudity is permanently censored, and any form of sexual contact becomes impossible. They feel frustrated and want to touch women, but it's impossible. For betas, life is filled with frustration and longing, unless a woman submits a special request to grant them access. But it's not easy to get that privilege. 55.3K 59% 3 Ren'Py This story is about Andrew, a 23-year-old guy who lost his father in a tragic accident. After the accident, he suffered from memory loss and was unable to remember what had happened. However, his memory began to return and he was eager to find out the truth about what happened to his father. Along the way, Andrew faced many challenges, including the loss of friends and a relationship. He also encountered various dangers and obstacles. The story takes place in a city filled with people, and you have to decide whether Andrew will find a new love or remain alone. Every decision you make will affect the outcome of the story, so think twice before acting. 49.5K 59% 6 Ren'Py This game is about a girl named Lily, who is going to make a career in the sex business, and eventually become the manager of a brothel. She will start her career in a house together with other girls. The main heroine really needs money, so help her improve her performance and increase her earnings. Chat with other girls to learn a lot about this profession. 185.1K 59% 12 Ren'Py It was just another ordinary day until you got a text from your cousin asking for a favor. His girlfriend and her two best friends had plans to hit a big DJ event out of town, but their car broke down, and he was busy, so you stepped in to help. You know Bianca, Tori, and Zoe well - you all went to school together. They were the coolest girls in your group, but your relationship with them wasn't always smooth. Now, youre the one driving them to the party in your dads van, and youre all staying at a hotel together for the night. This trip could be a total disaster or the best adventure of your life. Who knows what might happen! 88.8K 59% 8 Ren'Py This story is about Ava, a 27-year-old office worker, and Ethan, a 30-year-old finance guy, who fell in love while working together and eventually got married. After a year, Ethan landed an amazing job opportunity that took them both to a new city. This move gave the couple a chance to chase their dreams and start fresh. But thats just the beginning of their journey. In this game, you'll help Ava and Ethan navigate through life-altering events that test their relationship, aspirations, and desires. Each decision you make will shape their story, leading to new paths and unexpected twists. The choice is yours. 61.1K 59% 6 Ren'Py This game is related to previously published game Lust for Life. You're in the new city together with your mom. Now it's time to discover your sexuality by finding the things you like and the things you dislike. Meet characters of both genders, and have some good time with them. By the end you should become at least a shemale! 1.1M 63% 49 Geje HTML You dive into the world of Final Fantasy, where Cloud is struggling with his relationship with Tifa. Tifa's bar is struggling to stay popular, and things are looking bleak. But then a new customer shows up, bringing in more customers and making Tifa happy. However, it also makes Cloud suspicious. Cloud works during the day while Tifa is alone, and the mysterious new customer keeps coming around. Their interactions make Tifa feel more excited and lead to sexy desires. Cloud has to decide if he can save their relationship or if things will spiral out of control. The choices you make will determine the outcome of this exciting and sensual game. 119.9K 59% 7 Ren'Py The third part of the game is even more intense. The main character remains the only son in a house full of stepsisters after the tragic death of his father and stepmother. Therees room for everyone, parents had bought a big house in advance. But with this inheritance comes a lot of problems. The money is vanishing, the debts and troubles are piling up, and tensions between family members begin to rise, along with something more than just sibling rivalry. In this chapter, a grandfather appears, but he is more interested in having fun than solving problems. Will you help the main character start a new life, build stronger relationships, and figure out where the line lies between care, temptation, and something completely forbidden? 77.2K 58% 16 Ren'Py Dive into the enchanting world of Aeons Echo! Cloud has to decide if he can save their relationship or if things will spiral out of control. The choices you make will determine the outcome of this exciting and sensual game. 119.9K 59% 7 Ren'Py The third part of the game is even more intense. The main character remains the only son in a house full of stepsisters after the tragic death of his father and stepmother. Therees room for everyone, parents had bought a big house in advance. But with this inheritance comes a lot of problems. The money is vanishing, the debts and troubles are piling up, and tensions between family members begin to rise, along with something more than just sibling rivalry. In this chapter, a grandfather appears, but he is more interested in having fun than solving problems. Will you help the main character start a new life, build stronger relationships, and figure out where the line lies between care, temptation, and something completely forbidden? 77.2K 58% 16 Ren'Py Dive into the enchanting world of Aeons Echo! As the protagonist, you will interact, bond, and evolve with various captivating goddesses. Enjoy an immersive role-playing adventure in a visually stunning universe. Play Free now! 2.8M 100% You are a smart scientist and for some of your cool discoveries you were fired. The thing is a mask, which could change person's face completely. You decide to open your own celebrity brothel. Just imagine a place where you could fuck Scarlett Johansson, Emilię Clarke, Anne Hathaway and others? Run your brothel, hire girls, develop masks leading to new paths and unexpected twists. The choice is yours. 61.1K 59% 6 Ren'Py This game is related to previously published game Lust for Life. You're in the new city together with your mom. Now it's time to discover your sexuality by finding the things you like and the things you dislike. Meet characters of both genders, and have some good time with them. By the end you should become at least a shemale! 1.1M 63% 49 Geje HTML You dive into the world of Final Fantasy, where Cloud is struggling with his relationship with Tifa. Tifa's bar is struggling to stay popular, and things are looking bleak. But then a new customer shows up, bringing in more customers and making Tifa happy. However, it also makes Cloud suspicious. Cloud works during the day while Tifa is alone, and the mysterious new customer keeps coming around. Their interactions make Tifa feel more excited and lead to sexy desires. Cloud has to decide if he can save their relationship or if things will spiral out of control. The choices you make will determine the outcome of this exciting and sensual game. 119.9K 59% 7 Ren'Py The third part of the game is even more intense.
