Seriously was written by Jim Shooter, with Art of Mike Zeck and Bob Layton. It was tied with a toy line from the same name from Mattel. Historic of Publication The Serious Publication was conceived by the editor of Marvel Comics-In-Chief Jim Shooter. At the top of the first edition of the magazine marvel Age News, published in February 1984, a news column announced Seré Rie as clinics champions. A month afterwards, the second million Marvel Age edition presented a cover story about the series with the revised title of secret wars. Shooter declared: Kenner licensed the Herubis CC, and Mattel had to him, but he wanted to protect himself, if the superheries became the next big fashion. They were interested ä € ä € ä € ä € in Marvel characters, but only if we stated a publication event that received a lot of attention, and they could build a theme around. Fans, especially young fans, often suggested for me "a great story with all herois and all the villains in it," so I proposed it. [1] The shooter further explained the Mattel's entrance to the Sér Rie: we passed by a sane of ideas for names for the line and the toys. Mattel's focus group tests indicated that the children reacted positively to the words 'wars' and 'Secret'. OK. Mattel had a sane of other requirements. Doctor doom, they said, seemed very medieval. Your armor would have to be higher technology. So, Iron Man would, because his focal groups indicated that children reacted positively ... etc. OK. They also said that there had to be new fortresses, vehicles and weapons because they wanted playsets, higher price merchandise and additional game value. OK. When it came time to do it, I realized that I could only write. [2] Crossover titles include the incredible spider man # 249 - 252, [3] Avengers # 242 - 243. [4] Captain AMÄ © rica # 292. [5] The incredible Hulk (Vol. 2 ) # 294 - 295, [6] Iron Man # 181 - 183, [7] The # 10 - 22 thing [8] Fantastic four # 265, [9] Marvel Team-up # 141, [10] The Uncanny X-Men, # 178 ä € 181, [11] and Thor # 341. In 1987, Thor # 383 was presented as a previously unquoted tale of Marvel's secret superhero wars. [12] From the plot the cover of secret wars # 8, which counted on the source of Spider-Man's black costume, the art of Mike Zeck a clerical entity called Beyonder observes the universe of Marvel Mainstream. Fascinated by the presence of superhero in the Earth and its potential, this entity chooses a group of heroïds and supervilons and teleports the characters against their willingness to "battleworld", a planet created by Beyonder in a distant galialie. This world was also stocked with weapons and alien technology Egenas. Beyonde then declares: "I am from the top! Mateu your enemies and all that you wish to be yours! Nothing you dream is impossible for me to accomplish!" [13] Herubis include the Avengers, (Captain Amenia, Captain Marvel, Hawkeye, Iron, to her - Hulk, Thor, Vespa, and the Three members of the fantastic four (human torch, fantastic lord and the thing), herois solo (Spider-Man and Spider Woman) and the mutant team The X-Men (Colossus, Cyclops, NightCrawler, Professor X, Rogue , Storm, Wolverine and Lockheed Lockheed Magneto is presented as a hero, but immediately becomes aligned when the Avengers question his presence. In 2015, the secret secret wars of Deadpool revealed that the deadpool was also a chosen hero, but Vespa accidentally made the other characters forget their involvement. The villains include the absorbent man, Doctor Doom, Doctor Octopus, The Enchantress, Kang The Conqueror, Klaw, The Lizard, The Man of the Molemplace, Titant, Ultron, Volcana and the Demolition Court f o. The Cômica Galactus also appears as a villain that immediately becomes an entity not aligned. The herois (the X-Men opt for remaining a separate drive) and the villains have several skirmishes. There are several significant developments in Series: Villainesses Titania and Volcana are created. [14] The second spider woman, Julia Carpenter, is introduced; [15] Man Spider finds and wears the black costume (in the history inspired by the carpenter costume) for the first time, informingly uncanny that it is really an alien symbiot (the symbiote subsequently connected with the journalist Eddie Brock, giving rise to the villain known as poison); [16] [17] Doctor doom temporarily steals the power of Beyonder; [18] Having in love with the alienish love Zsaji (who sacrifices his life in Battleworld to save her heroïds), Mutant Colossus ends his romantic relationship with a Kitten of Pryde party; [19] And the thing gains the ability to reverse his original human form from Ben Grimm to will and chooses to remain behind Battleworld and explores the gallebian for a year, [20] with her - Hulk temporarily joining the Fantastic four as its replacement. [21] The nearby Series Tie-ins questions with open secret wars soon after the return of marvel fighters. The immediate evolution includes: the thing replaced by her-hulk at FF, Spider-Man has a new fantasy, and Hulk has a wounded leg and the wild side is re-emergent (to culminate fully Animal, inarticulated and irrational hulk in # 299 ä € "300). Readers would have to read secret wars all the way to find what caused these changes. The secret reception Wars was a bestseller When it was published in 1984, selling more copies than any other comic book in the last 25 years. Although it was a financial success, it was not well received by the chromic ones when it was published, criticized by his contest not inspired and juvenile . An announcement of a series of sequences. Secret wars II, Carol Kalish, Direct Sales Manager of Marvel in the Poca, was found for the first time with Boos. Kalish was even mentioned saying, "Let's be honest. Secret wars was crap, right? But did that sell it? "[22] In 2011, IGN listed secret wars as one of the best comic book events. His writers found the action of the story to be pleasant. They also highlighted the effect that had In the universe of Marvel, introducing Symbiote and new characters. [23] In 2011, Alex Zalben of MTV news classified secret wars such as the second largest comic event of all time, after only the DC Comics crisis in infinite Event Event. Zalben praised the history of secret wars and lasting effect on the Marvel Universe, besides honoring the plot as "Comics of first semi-official semi-officials". [24] Sequences of a year later, Secret wars II were published, with the beyonder visiting the land and having a tie with almost every comic of the wonder written on it is Poca. [25] Marvel also published a third story of secret wars written by Steve Funtl and drawn by Keith Pollard Den Tro of two fantastic questions four Series (the story "Secret Wars III" in four fantastic. 319 (September - October 1988)). In 2010, a wonderful adventure all-ends non-cannatic minions Spider-Man and the secret wars were released. He tells the story of Spider-Man's perspective and has great discrepancies with the original event. These tales include he receiving the power of Beyonder and creating "New Parker City", Spider-Man and the thing they espy on Dr. Doom, and a story with suspicions of Spider-Man on O Was launched in conjunction with Avengers & The Infinity Gauntlet and Captain America & The Korvac Saga, similar self-sufficient, of all ages re-imagination of past events, which seem to take place in their own continuities separated in the Pattern "Marvel Adventures" way [26]. In 2015, as part of the modern secret wars event, Secret Wars Deadpool was launched. This four issues reunited mini-rie events from the original Deadpool's point of view and fixed inconsistencies with the original and later events. Among them was the wasp and a sudden magnet night, and the proposed secret shields of the original toys line. It was finally revealed that the Wasp, out of any disgust or regret to see the body of Deadpool's Deadpool-Ridden's body, accidentally caused everyone to forget his involvement in history, creating the inconsistencies. Other Versions What IF? Some questions from What IF? Turn around the secret wars: "Brave New World", from Jay Faerber and Gregg Schigiel explored what would happen if the herois was stranded in Battleworld [27] after Galactus and Beyonder destroy each other in battle. The battle continues for a while, but after the death of Bulldozer, Captain Marvel, Cyclops, Dr. Octopus, Kang, Magneto, and Spider Woman, both sides declare peace. Hulk heads to the desert, to find a way to make everyone back home while Doctor Doom builds a roma of his Castle Latverian. The Enchantress disappears, fantastic Lord somehow dies, and spider-man black costume makes him turn cold and accelerate his aging, to the point of becoming a skeleton. Eventually, some of the inhabitants have the children who inherit some of their powers, including Bravado, Chokehold, Cross, Firefly, Gator, Malefactor, Moleculon, Mustang, Raza, and Torrent. By the 18-year-old birthday of the brave, it has a malefactor of his father and reassess Chokehold, Gator, Klaw, Moleculon and Razze on a plan to take Battleworld. Bravado, crossed, firefly, Mustang, torrent, and the herea and reformed villains to defeat them. Hulk and Doctor Doom (who falsified his death, when Malefactor attacked) the return to help end the conflict. Hulk has used 20-time technology from the deceased Kang to create a portal that will take everyone home with Thor's hammer help. Uatu soon appears and warns them from the bad thing that will happen if they return to earth. Although adults cancel the trip, the younger herois flee at night and end up on earth, which is surpassing with sentinels. The five agree to stay on Earth, like the Avengers and free the Earth. [27] On a related note, these five had appeared in the destination war plot. In another alternative universe, Doctor Retain's destination Beyonder's potency and assumes the universe. [28] Secret Wars (2015) Main article: Secret Wars (2015 Comics) in May 2015, Marvel published a new MinissÄ © Rie Secret Wars, written by Jonathan Hickman and drawn by Esad Ribia, "which caught where the" Time runs out "Storyline running on Avengers and New Avengers on It's finished. [29] The plot involved the marvel universe combination with other alternative universes, including the final universe, as well as the Universe 2099, to form Battleworld, a world that displays aspects of various universes. Limited Number of Nine Had Nine Long Questions, and ran for eight months, ending in January 2016.
