England triumphed on New Zealand in a super course to eat nails. The 2019 World Cup final between England and New Zealand has gone to a super course after the result of the match ended in parity. England has all out for 241 to 50 overs, a short period of a victory. Although the super course also finished in a draw both with New Zealand and England getting the same number of racing out a single course, but as a super course rule, as England had hit more borders in their innings, i Hasters have been declared the winners. With this, England won the World Cup from Nubile Title.à, India were eliminated by the 2019 World Cup Cup after being beaten by New Zealand from 18 ran into the first semi-final. The game was originally started on his date scheduled on July 9th, but the game was called out for the Because of bad weather and pushed to the day of the reserve on July 10th. This was the first Knockout World Cup combined was continued on a reserve day. Overall, men-in-blue won 7 out of their total total World Cup matches. India has only lost two games in this tournament, first against England and the semi-final strictly against New Zealand. Overall, ten teams participated in the 2019 ICC World Cup, including England, India, South Africa, New Zealand, Australia, Pakistan, Sri Lanka, West Indie, Bangladesh and Afghanistan. India, England, New Zealand and Champions Infroni Australia initially the favorites of the World Cup title. There were 48 matches in total in the World Cup, including 45 were in the group phase. Each of the ten teams played nine groups of the group phase, including the first four progressive to the semi-finals.
