Keazo: Mystery Pic Level 5 Answers, tricks and solutions with screenshots. "The best photo game on the App Store!" Spin the wheel and discover the squares of the mystery image to find the associated word! The game already has tons of different images ranging from animals, objects and food, to monuments and celebrities, and new images will be added regularly! Each image is covered and divided into squares that can be revealed by rotating the wheel. As you progress through the layers, the images will be divided into more squares, making them progressively harder. The object of the game is to find the word associated with the image, revealing as few squares as possible. Simple but incredibly addictive, dive into this game and advance from level to level! Keazo is brought to you by Scimob, the developers of 94 Seconds, 94 Grades, 94% Word Academy and Math Academy, with more than 60 million players worldwide! Keazo: Mystery Pic is created by Scimob.
