Eagle view rv resort

Whether you're new to the RVing life or have been hitting the open road for years, you'll find that today's popular RV parks are expanding their amenities by offering more resort-like features. Community centers, a full schedule of activities, even dog parks are additions that can enhance your vacation experience. For that reason, Eagle View RV Park in the Sonoran Desert has been ranked as one of Arizona's best RV communities for a quiet, laid-back, and restful environment. Located in Fort McDowell, Arizona, along the Verde River on tribal lands with stunning views of the McDowell Mountains, Eagle View RV Park is around half an hour from Phoenix Sky Harbor International Airport. The park offers 150 deluxe sites with full hook-ups, including 20/30/50-amp electricity, water, Wi-Fi, and nearby showers. Swim a few laps in the heated pool, play pickleball, or work out in the exercise room. Go for a run on walking paths dotted with cacti, and be on the lookout for bald eagles, the resort's namesake, and other wildlife. Join your fellow RVers for a continental breakfast (offered seasonally), and participate in Eagle View's numerous clubhouse activities. The RV park is managed by the Fort McDowell Yavapai Nation (FMYN) and We-Ko-Pa Casino and Resort, giving you special discounts at the We-Ko-Pa Golf Club and We-Ko-Pa Casino. You'll enjoy a complimentary shuttle service to the We-Ko-Pa Casino, too. All around, you'll see majestic mountains and desert terrain as you take in the fresh, calming air at one of the top RV parks in America. Eagle View RV Park provides convenient access to plenty of outdoor recreation. Go off-roading in Tonto National Forest, which is about a half hour away. Head to Saguaro Lake for swimming and fishing, or visit McDowell Mountain Regional Park where you can challenge yourself to extreme mountain biking. Take an exhilarating jeep tour, relax on the river as you float in a tube, and thrill over the excitement of live rodeos in the area. Nearby Scottsdale has great restaurants, nightlife, entertainment, and high-end shopping. Baseball fans can also check out their favorite players up close during Major League Baseball's Spring Training in February and March. The Cactus League ballpark facilities are located in Scottsdale, Mesa, Phoenix, and other Arizona cities. To catch a game during the traditional MLB season, check out an Arizona Diamondbacks game in Phoenix. Then, extend your vacation with a trip to this winter camp destination in Tucson. Spend a day on horseback, riding along the gorgeous Verde River, or playing a round of golf at the prestigious We-Ko-Pa Golf Club. Join us at We-Ko-Pa Casino Resort for slots, blackjack, poker, bingo and Keno, if you're feeling lucky! While you're there, enjoy breakfast, lunch or dinner at one of the five restaurants and café. For a night out on the town, Eagle View RV Resort is just a short drive to Scottsdale, Phoenix, Fountain Hills & Tempe!
