## Yellowstone season 3 episodes list

I mean they didn't even hype up the new badbie for season 3 either which I thought was gonna show up and be the people playing the Malcolm brothers. Chief Rainwater too, doesn't seem the type, even if Angela's pontificating about not playing according to the white man's rules makes for one of the best scenes in "The World Is Purple". And he angrily calls Jamie to tell him that he can't get in touch with anyone else. On his way back through the valley, he spots a badly wounded, dying horse being set about by carrion birds, and angrily scares them off. They likely thought he would be reported missing immediately and his picture would be plastered everywhere. Either way, since he as smugly explains to Beth he has power of attorney over the Duttons' land, he approves the sale of it to Market Equities in a big meeting between all involved parties, including Chief Rainwater and Angela Blue Thunder, and a scrubbed-up Roarke Morris, who we finally get to see interact with a Dutton who isn't Beth. That's a thing, right? The series is leaving us with a big cliffhanger, as fans ... I mean they didn't even hype up the new badbie for season 3 either which I thought was gonna show up and be the people playing the Malcolm brothers. After putting the horse out of its misery - "I'd rather shoot a thousand men than another horse," he grumbles - he angrily tells the birds they can eat him now. "2". And he has ONE bodyguard? Now that we're heading into the finale, let's have a quick review of what happened last week. Where to Watch Yellowstone Season 3 Finale Online? And now that I've seen the Yellowstone Season 3 finale, ominously but mysteriously titled "The World Is Purple", I still don't think that we geared up for it. "Once you put a name to this face you'll never forget it," declares Roarke to John, who was earlier informed by Rip that it was a mysterious "Roarke" pulling Wade's strings. If you'd rather watch first, read later, give along, little dogs. Maybe should have had a team. 11.6k members in the YellowstonePN community. Glad to see it'll be back for a third. The question, then, is whether it was Roarke or Jamie or even Chief Rainwater who organized the hits on the Duttons in the Yellowstone Season 3 finale. That leaves Roarke, whom Hays Watts told to treat the situation like "an oil deal in Yemen." He's the likeliest culprit, though how he pulled it off so quickly and efficiently is anyone's guess, and is also the kind of thing that Taylor Sheridan rarely bothers to explain in the pursuit of cheap thrills. An uneven season lurches to a close as everything goes sour for the Duttons, and quickly. In the last 10 minutes I was getting very apprehensive about the fact we are going to have to wait a ridiculous amount of time to see any of this answered or resolved.
