One year manufacturer warranty Thick smoke and steam from your cooking. Stifling odours all around. And the hoods not doing its work in clearing the mess. Yes, its the bane of every conscientious chef who wants the cooking environment to be as pleasant as possible. And that wish has come true with our Devanti 1200mm wall mount range hood.Featuring a powerful extration power of 3000m3/hr from a fully sealed copper twin motor, our Grade A stainless steel range hood will clear the air of smoke, steam, odours and vapours in no time at all. The four 5-layer aluminium grease filters also ensure all grease are efficiently captured. The filters are easy to remove and just as easy to clean. Leaving you a fresher space to cook your marvellous dishes.Setting all this up is a 3-speed fan at your finger soft-touch using the super cool LCD display screen to guide you. Four LED lights (more durable and saves energy) provide vivid illumination of your cooking area as you would surely appreciate. Not just for your cooking and safety but to admire the stylish aluminium pyamid design. It really adds to the beauty of your cooking.Theres so much more going for our range hood that you just have to get your hands on one to discover the marvels of its inherent features.
