Get all the best moments in pop culture & entertainment delivered to your inbox. December 28, 2019 8 min read Opinions expressed by Entrepreneur contributors are their own. Between documentaries and fictional films, there is a lot you can learn about the plight of entrepreneurs from the comfort of your couch. Whether you are just starting out on your business venture or have been at it for years, you can glean some powerful insights from these 18 provocative and wildly entertaining films. Related: 17 Inspirational Quotes from Oscar-Winning Movies FYRE: The Greatest Party That Never Happened There are actually two documentaries about the disastrous Fyre music festival that are both worth watching: Hulu's Fyre Fraud and Netflix's FYRE: The Greatest Party That Never Happened. Watch and learn how the festival evolved from an exclusive event with celebrity and social media influencer endorsers to a mismanaged disaster that essentially stole people's money and left them stranded on an island with meager food and shelter accommodations. Topics covered: social media, the importance of planning and contingencies Startup.com Startup.com is a 2001 documentary film that examines the rise and fall of the real-life startup GovWorks that raised \$60 million from Hearst Interactive Media, KKR, the New York Investment Fund, and Sapient. It's good viewing to better understand the boom and bust of the dotcom period and serves as a cautionary tale on how friendships can easily be threatened by business partnerships. Topics covered: financing, capital raising, growth management, entrepreneurship skills, team building and management skills Catch Me If You Can When you hear Catch Me If You Can, you picture the successful con artist Frank Abagnale (Leonardo DiCaprio) deceptively charming just about anyone with his skill mastery. Based on a true story, Catch me if You Can is a classic film that exemplifies the entrepreneurial journey. It touches upon important themes like creative problem solving, turning something good out of a bad situation, and the good ol' hustle to reach success. Topics covered: entrepreneurship skills, creativity and innovation, perseverance, business vision, personal sales techniques and entrepreneurial funding sources Lord of War If you like dark comedy with a good bit of action, Lord of War is a must-watch. This war-crime film chronicles the life of Yuri Orlov (Nicolas Cage), an immigrant from Ukraine who decides his route to success is through illegal gun trade. Morality aside, Yuri's ambition, tenacity, and ability to tolerate risk demonstrate the very qualities entrepreneurs need to succeed. Plus, if you want to learn more about growth hacking, building customer loyalty, and negotiation techniques, this film delves deeply into these topics. You'll probably find yourself incorporating some of the lessons in your own business venture. Topics covered: entrepreneurship skills, emerging markets, creative problem solving, crisis management, negotiation techniques, building customer loyalty, competitive strategies and geopolitics Related: The 10 Traits That Define Entrepreneurial Success Wall Street Ever find yourself pushed to your limits in the pursuit of power and success? Wall Street unravels this theme through the eyes of Bud Fox (Charlie Sheen), an ambitious stockbroker who navigates the economic rollercoaster of Wall Street, adopting the "greed is good" mantra. This movie is a window into corporate finance, portfolio management, investment law principles and capital markets. More telling is the story of a young, susceptible mind, showing how easy it is to get carried away with the glamorous lifestyle that accompanies wealth. Plus, if you thought The Wolf of Wall Street was a bit too much, this movie is a tamer, more socially-critical version. Topics covered: corporate finance, portfolio management, capital markets, investment law principles, mergers and acquisitions, company valuations and business ethics Rogue Trader This 1999 film is based on a true story of the employee who single-handedly brought down the Barings Bank, the largest bank in England. The movie shows how money drives all sorts of maniacal behavior and serves as a cautionary tale about people who falsely assume that power and money make them indispensable. Topics covered: derivatives, corporate valuation, financial reporting, capital markets, emerging markets and business ethics Twelve Angry Men Possibly my all-time favorite film, Twelve Angry Men is a brilliant courtroom drama that has several layers of insight on leadership, the psychology of group behavior, and conflicting value systems. This is a must watch and will leave you thinking about the way you make important decisions. Topics covered: negotiations techniques, persuasion methods, conflict resolution and consensus building Office Space Umm...yeah...We're going to go ahead and ask you to watch this American comedy that perfectly satirizes corporate culture of a 1990s software company, touching upon work relationships and office politics. It's a good laugh and will definitely get you thinking about leadership, team-building techniques, and career development. Topics covered: corporate culture, mentoring, career development, leadership, work-life balance, personnel retention, team-building techniques and management of information technology The Godfather Trilogy The Godfather trilogy is possibly the all-time best cinema for entrepreneurs, highlighting why relationships and building networks matter, why helping people lends itself to good business, and why understanding competition is non-negotiable. The movies are intensely entertaining, packed with thrilling and thought-provoking scenes that will leave you better prepared to handle your next business challenge. Topics covered: competitive strategies, key personnel retention, corporate take-overs (friendly and hostile), alliances, mergers and acquisitions, corporate succession and long-term corporate diversification The Usual Suspects The Usual Suspects is a must-watch if you enjoy a good psychological thriller with an ambitious, twist ending. It tells the story of a group of professional criminals who find themselves in the same police line up and decide to team up and pull a lucrative heist. The movie explores themes like leadership consolidation, power and influence, and long-term business strategy, which serve as valuable insight for established and aspiring entrepreneurs. Topics covered: leadership consolidation, power and influence, long-term business strategy, collaboration, risk-and-reward compensation, entrepreneurial skills, innovation and creativity, consolidation of branding, marketing and operations and logistics planning and execution The Smartest Guys in the Room This 2005 documentary film is based on the best-selling book of the same name by reporters Bethany McLean and Peter Elkind, which touches upon one of the largest business scandals in American history -- the collapse of the Enron Corporation. This is a must watch for a history buff or anyone looking for a thought-provoking and shocking example of modern corporate corruption. Topics covered: accounting reporting (basic, advanced and innovative), consolidation of reports, off-shore diversification, off-balance sheet accounting, agency problems and business ethics Related: What Working at Enron Taught Me About Corporate Ethics How to Get Ahead in Advertising Even if you're not looking for advertising advice, How to Get Ahead in Advertising will teach you a thing or two about creative problem-solving. The film was a flop when first released, but redeemed itself many years later and is touted as a brilliantly entertaining satire of the advertising industry. It will definitely make you think differently about business in the commercial world. Topics covered: marketing strategy, advertising know-how, market segmentation and branding The Devil Wears Prada The Devil Wears Prada will motivate you to take the plunge and pursue your dream job. It's a movie that shows how to handle uncomfortable situations, how to navigate worlds that seem unfamiliar, and how hard work pays off eventually. It's also an interesting window into the fashion industry and will teach you a thing or two on how to work your way up the corporate ladder. Topics covered: branding, sales techniques, importance of media and career development Thank You For Smoking Thank You For Smoking is the perfect film for a marketing savvy entrepreneur or someone who wants to learn a few tricks on how to sell just about any product. The film tells the story of tobacco industry lobbyist Nick Naylor who creatively spins arguments to defend the cigarette industry in the most challenging of situations. This is a great watch for those wanting to learn a few things about crisis management, corporate communications, PR and negotiation tactics. Topics covered: public relations, marketing and advertising campaigns, crisis management, corporate communications and effective negotiations skills Related: 5 Crisis Management Tips Olivia Pope Would Endorse Glengarry Glen Ross Glengarry Glen Ross is based on the award-winning play about four real estate salesmen whose jobs are on the line when the corporate office announces that in one week all except the top two men will be fired. This movie is an entertaining showcase of competition and manipulation. If you're starting a new business, be forewarned: sometimes the road to success is far more sketchy than you think. Topics covered: sales techniques, customer relationship management, negotiations and deal closings The Merchant of Venice The Merchant of Venice is based on Shakespeare's play and is one of Al Pacino's greatest films. The story is about Bassino, a young member of the aristocratic class, who turns to a Jewish moneylender Shylock (Al Pacino) for financial help. This is a pleasurable period piece with lessons on business partnerships, risk assessment and mercantile law that still hold value today. Topics covered: contract negotiations, mercantile law, risk assessment and business law principles Erin Brockovich This legal drama is based on the true story of Erin Brockovich who, against all odds, helps win the largest settlement ever paid in a direct-action lawsuit. The film embodies female empowerment and underscores the importance of sticking to one's scruples even in the face of obstacles. It touches upon themes like social responsibility, sustainable business models and gender biases in business. Topics covered: social responsibility and sustainable business models The Founder In The Founder, we learn the incredible true story of struggling salesman Ray Kroc, whose fateful encounter with the McDonald brothers changed his life -- and the way we eat food in America. Topics covered: starting a business, perseverance, scaling a business watch kabir singh full movie online. watch kabir singh full movie hd. watch kabir singh full movie on hotstar. watch kabir singh full movie online free hd. watch kabir singh full movie free. watch kabir singh full movie online on uwatchfree. watch kabir singh full movie online with english subtitles. watch kabir singh full movie in hindi
