For more information, refer to the developer's privacy polic. So I lose points. If you finish reading this thanks for making this game for us to play and hope these flaws are fixed to be safe. I tried to turn off my bus, turn off all that is on, and reversed at the parking spot, but nothing works. I saw that someone had the same problem, but when I tried to fix it as they said, it still did not work. In addition, I like the game, I recommend to my friends. I can not wait much of a mobile game, but all I like is for the cars to be a little smarter. You should make it easy to get money in the game. Indeed. The developer, Zuuks Games, indicated that application privacy practices may include data handling as described below. First of all I would like you to fix the crash failures. When the signature period expires, all terminals that are given as gifts are automatically closed.Service Name: Ultimate League Anylyearly Ultimate League affiliation offers \$ 9.99 subscription per year. Whenever you finish your route to the first level, he says where to park and say the park perfectly to disappoint passengers, but it does not matter how you park, only it would not work. Now I have to do the same thing for the second level to leave people at the bus. It takes me over a day to get enough money to get a new terminal. The buses get superficial in a way not realistic and when you're next to them and they spin the back of the bus there hit my bus. Maybe in a new update you can also add difficulties. I love the game, and I love how long it takes to complete a route. Cars can barely drive. Especially the parking bug. Maybe they have turn yellow and red.
