Photo courtesy: Ask Media Group Summer is in full swing and there is nothing like the beach, or the park, sitting by the water, looking at the sight, grabbing a good book and simply submerging us in it. . That's why we're throwing some ideas for perfect summer novels. However, we are we adhere to the rules: most of the titles here are total Page-Turners or grant a bit of instant gratification: or both. And all of them will transport you to distant places or the type of configuration, you will enjoy a vacation, either by when they were written or where they are established. Photo courtesy: GoodReads The oldest book on this list is the first in a series of five psychological inkwells that Patricia Highsmith wrote about the infamous character of her by Tom Ripley. Even if she is sociopath with more murderous trends, the reader can not help being on the Ripley side while she reads the absorbent novels of Highsmith. The complete series is located in Europe with the first book that its protagonist carries, and the reader to San Remo, Rome, Palermo and Venice. In addition, there is a constant longing for a trip to Greece. Photo courtesy: Goodreads This classic Australian is located in 1900 and has a group of intern in a school of children in Victoria, as they take a day trip to the nearby geological formation hanging rock. There are many descriptions of adequate picnic attire, the beauty of the landscape and the relationships that link to this group of adolescents and their teachers. And while Joan Lindsay's writing style and the scene of this novel can have some parallels with other classical novels of older older by and starring women, the end of the picnic on the pendant rock could only Having been written in 1960. Photo courtesy: Goodreads Permit me the reference of the hometown with this novel Spain located in Barcelona in 1979. Written by the author Manuel Vázquez Montalbán, Southern Seas is the Famous of its novels starring the Private Detective Pepe Carvalho. He is a gourmet who is also obsessed with food, literature and the city of Barcelona. In addition to a methodical description of the city at the end of the 1970s, the book also includes references to a trip to the seas of the south that never existed. Photo courtesy: Goodreads written by author Japanese Haruki Murakami, this adult novel follows the history of Toru Watanabe, a university student obsessed with American literature. Try to decipher your life in Tokyo in the years 60 and ends up in relationships with two women who could not be more different: Naoko, ex-girlfriend of his best friend, and Midori, one of his classmates. The story takes the reader from the bustling streets of Tokyo to the tranquility of a lost rehabilitation center in the mountains near Kyoto. . Photo Courtesy: Goodreads Miami Chili Palmer Small Scale Lender travels to Las Vegas hoping to collect a debt, and ends in the Angels, where he learns about the film business and how to become a producer. Set in Hollywood in 1990, this classic Californian combines masterfully suspense, emotions, humor and even the most minimalness of a Western. This story is so Hollywood that there is a film adaptation of 1995 starring John Travolta and a 2017 television program with Chris hearing a oedDowd, but you should definitely start with Elmore Leonard's novel. Photo courtesy: Goodreads The US novelist Donna Leon has been calling Venice at her home. His first book of the mysterious series starring the detective of the Venetian policeman Guido Brunetti follows the investigation of the death of a musical director after being poisoned during the intermediate of a Verdi Page in La Felice. Leon has been constantly publishing a new delivery of Commissioner Guido Brunetti to the year during So If you like Venetian setting, the stories of crimmer and constant descriptions of all the delicious meals (and drinks) that Brunetti ingests ingest Daily, this could definitely be the series for you. Photo courtesy: Goodreads possibilities. Now we could see the sequel to Luca Guadagnino to his call by his name 'Adaptation of movies, and while the tracking novel by André Aciman, finds, can leave the Hardcore fan of ELIO and Oliver a little disappointed, there is nothing like returning to the original material. With the context of the Italian Riviera., This age revenue history follows ELIO's early as he falls in love with Oliver, a graduate student and the guests of ELIO's parents for summer. This iconic summer reading perfectly captures someone's longing sensation and presents abundant and engaged conversations, nadas early in the morning, paused bicycle rides, a poaching relationship and a passionate trip to Rome. Photo courtesy: Goodreads Nigerian author Chimamanda Ngozi Adichie Set this story: that deals with immigration, race and belonging, in Lagos, London and Nu Eva Jersey. The protagonist of her is Ifemelu, a young Nigerian woman who moved to the United States to promote her studies. Americanah is a great reading, not only as an attractive and entertaining novel, but also as a study on the race in America from the perspective of a non-American black person. The novel also packed a complex love story between Ifemelu and Obinze, who moved to London and has to live there as an undocumented immigrant. Photo courtesy: Goodreads I do not care if you've seen the HBO miniseries packed by the stars and not only do you know who the murderer of this story is, but also the identity of the person who dies and whose investigation impuls plot. , Liane Moriarty's soapy thriller is still a reading. Instead of the rugged coast of Northern California, the Big Little Lies novel is located on Sydney suburban beaches, on the other hand, the book jams enough humor and sharp joke, especially when it comes to the inclusion of the dialogue of police interrogations among the many parents who take their children to the same school as our protagonists, who will find enough nuggets of new material to justify reading. Photo courtesy: Goodreads Taylor Jenkins Reid's bestseller of historical fiction sits between the publishing world of today's New York and the classic Hollywood of the 1950s, 1960s and later. When relatively unknown journalist Monique Grant writes a profile of legendary actress Evelyn Hugo, she can't believe she got lucky. The novel guides the reader through a series of interviews between Monique and Evelyn in which the former star tells her story of origin and the reasons behind her many marriages over the years. Photo courtesy: Goodreads Andrew Sean Greer's Pulitzer Prize-winning novel star, Arthur Less as a novelist with a dwindling career and a broken heart. As if all that wasn't enough, Less is about to turn 50. When her ex-boyfriend invites Less to his wedding, our unfortunate protagonist decides to embark on a series of consecutive international trips with a "cluttered itinerary" to avoid the dreaded event. Greer's fun and ever-quiet novel takes the reader and its protagonist from the foggy shores of San Francisco to New York City, Mexico City, Turin, Paris, Berlin, Morocco, India and Japan. Photo courtesy: Goodreads The latest published novel by the late spy master John le Carr is a return to some of the themes that defined his career in the world of international espionage, which he describes with precision "and without glamour or spectacle." The novel stars Nat, an agent reluctant to be off the field in the late 1940s, who has had a long career developing fonts in Russia. Nat is back in London and somehow can't help but get involved in another surveillance. The book is set in 2018 and there is constant talk among its characters about Brexit Brexit The administration of triumph. Le Carr favors none of those. Even if you do not like international thrillers with double agents, that's not what is not? A e a, ~ "The agent that runs in the field is still worth reading, if only to appreciate the sucity of Le Carr n, but masterfully rich and the descriptive prose. Photo courtesy: Goodreads Add to Agenda Beach Read "To this list of beach readings because Emily Henry's romantic novel truly makes his title. Located in a small city of Michigan, the novel tells the story of the author of Romance more binding January and acclaimed Gus fiction writer. They end up being neighbors and live on side by side in the houses of Lazo. One thing leads to another and end up making a deal. At the end of summer, it will be the one who is pencil in a romantic book and She will write a darkness and somber. Both need to teach the other, all they need to know to be able to produce something in a GA e Nero who are not used to work. Of course, in addition to all the After dilation and writing, there is also time for love. Photo CORTESY : GoodReads The revealing novel of the past year, half the way that disappears the issue of approval when it comes to racial identity. The historical novel of Brit Bennett-Pened, which is already becoming a limited HBO series, tells the story of two identical twin sisters of a small city in the rural area of Louisiana, where most of the Black population is so slight than one of the sisters. Passes like a white woman during most of her life after the city fleeing. The action covers several decades from the DA e each of 1950 and weave the life of the assimilated sister, who is leading first a double life in New Orleans and then the A NGELES - with that of the other, which is Go forced to return home. Photo courtesy: GoodReads Close this list with a version of August of one of the More sold from 2020. Then that his Mexican Gogic was chosen as the best horror novel last by Goodreads, author Silvia Silvia Come back with Velvet Was the Night. The Mexican-Canadian author sets the action in Mexico City in the 1970s and writes about Maite, a secretary obsessed with romantic stories, and her beautiful neighbor Leonora. When the object of her fixation disappears, Maite starts looking for her, but she is not the only one.
