At this time, it is not possible to add shared decks directly to your AnkiWeb account - they need to be added from the desktop then synchronized to AnkiWeb. Reviews on 1591896977 I found found a number of incorrect cards and spelling mistakes. Additionally, the vocabulary lists in Wilson are not intended to be memorized to build one's vocabulary, apart from the words that are starred. Rather, those lists provide an easy vocabulary reference for the reading exercises. (The vocabulary appendix should be used for memorization.) Finally, the definitions in the lesson vocabulary lists are often incomplete, for instance listing a secondary usage of a word if that's the way the word happens to be used in that way in the reading exercise. on 1549728610 Thanks for the effort to make this available! This is my primary tool to memorize the vocabulary in April Wilson's book. Thanks a lot! April Wilson is to be congratulated for her clear, logical and concise presentations of German grammar to which the proverbs add much life and human insight. She has provided the profession with a superb pedagogical tool, and anybody studying German for reading knowledge or simply reviewing German grammar should be thankful that this book exists. (Wolfgang Mieder, University of Vermont) Based on April Wilson's very popular reading course for students in the University of Chicago community, 'German Quickly' is an absolute delight. It is witty, lively and exciting. The on-going adventures of Fraeulein Meier and the mailman entice readers from one lesson to the next, and having them translate extracts from Nietzsche, Goethe, Buber and other literary heavyweights instills a definite sense of accomplishment as they progress. Explanations of the grammar combine wonderful clarity with a sympathetic ear to the beginner's difficulties. This newly revised edition is to be warmly welcomed.
