Offers will be based on your interview with a member of the School Management Team, an interview with at least two Heads of Department (representing subjects you have said that you would like to take), your performance in an online test (designed to assess your potential) and your school reference. Apply Now Our Sixth Form has a culture of high aspirations and expectations; we are very proud of our students and their exceptional levels of achievement and progression. More information can be found here. This introductory day will take place in late June, after the GCSE examinations are over. Once an application has been made, external Bursary candidates will receive an invitation for a pre-interview test or for interview. We also offer some scholarships for Sixth Form study and further information is in the downloadable forms below. Our students outperform the national results with an overall 100% pass rate for A Levels in 57 subjects. They are primarily - but not exclusively - for families with girls considering entry into Y7 or Y12 in September 2022. When the GCSE results are announced, successful candidates will need to bring information about their results into school to demonstrate that they have met the entrance criteria. Offers will be based on your interview and your school reference. Any offers made at this stage will be provisional until the GCSE results are known. The minimum requirement for entry from outside Bolton School into the Sixth Form is at least six passes at Grade A*-B or Grades 6, 7, 8 or 9 at GCSE or an equivalent qualification. Students who apply for financial assistance will be required to take a CAT Test. Fees and Financial Assistance Details of our fees for the current academic year can be found here. Bursary support is available to students applying to join the Girls' Division Sixth Form. On arrival each family will be assigned a Prefect who will show you around the School and answer any questions you may have. Our tours will take place on the following dates at 10am: Wednesday 12 JanuaryWednesday 2nd FebruaryWednesday 2nd MarchApril - no tour due to the Easter HolidaysWednesday 4th MayWednesday 8th JuneWednesday 6th July Please note, places are limited and booking is essential to ensure we are managing numbers in School. To book a place on one of the tours please contact the Senior Girls' Registrar, Mrs Helen Atkinson by emailing HAtkinson@boltonschool.org If you are unable to attend the above dates but would still like a tour of the School, please contact Mrs Atkinson on the email address above. Prospectus Our digital prospectus is available to view here. Prospective candidates and their parents are advised to read the Admissions Policy which can be downloaded below and which includes information about SEND/ EAL and information about the School's policies. Ilyas, a Specialist Physiotherapist, is the Chair [...] External candidates will normally be expected to have an A grade or Grade 7-9 in a subject chosen for A Level if they have taken that subject to GCSE. If you are interested in applying, you are very welcome to visit us and to speak to staff and students at our Open Events and Taster Days. Interviews will be held towards the end of February or at the beginning of March. You will be asked to bring your school reports, record of achievement and Mock Examination results with you. Candidates who have received an offer will be invited to spend a day in school meeting each other, as well as staff from the subjects they have chosen and students from their year group. In order to help us ascertain the academic potential of a girl applying for a bursary we will require her to sit a cognitive test administered by the School. Staff will be on hand to explain the AS and Advanced Level courses and to offer advice about subject choices. Monthly Tours of the Girls' Division Our monthly tours are led by a Year 13 Prefect and they provide a great opportunity to see our school on a normal working day. Candidates will need to show determination to succeed in their chosen courses. Sixth Form Open Evening Prospective students and their parents are invited to visit the school on our annual Open Evening - full details here. For further information, please contact Helen Atkinson, our Admissions Registrar (01204 840201 or gdamissions@boltonschool.org). We look forward to meeting you. Posted: 04/02/2022Andy Howard, Progress Tutor, and Holly Hargreaves We are delighted that two of our fantastic B6 students have been shortlisted [...]Posted: 02/02/2022Our first guest speaker to visit us on the second half of the Women into Leadership programme was Gulnaz Brennen, [...]Posted: 01/02/2022Our second-year Children's Play, Learning & Development students had a fantastic session yesterday with guest speaker, Dr Allison Moore, from [...]Posted: 28/01/2022Our Futures Academy students welcomed guest speaker, Ilyas Adam, to their session yesterday. Full Fee candidates will receive an invitation to interview. If you are considering Art or Technology as one of your options, you should also bring your portfolio. Admission is dependent on ability, commitment and a good attitude to study as demonstrated at GCSE. External candidates must have at least a Grade C or Grade 4 in English, Mathematics and Science (whether Trilogy or one of the single science subjects). We award bursaries after consideration of family income and a student's academic merit.
