"Devil Take the Hindmost Same", a song by Angelus Apatrida of the 2010 album Clockwork "Devil Take the Hindmost", a song by the 2010 musical Love Never Dies "Devil Take the Hindmost", a track by Allan Holdsworth of the 1985 album Metal Takene Hawk & Fisher: Winner Takes All 1991, also published as Devil Take the Hindmost Financial This deambiguation page lists the articles associated with the title Devil Take the Hindmost. If an internal link has brought you here, you may want to change the link to point directly to the item provided. Retrieved 19 November 2012. ^ Devil taking the hindmost is an idiom that for the first time appeared in the 16th century. An idiom is a figure of speech that is a word, a group of words or a phrase that has a figurative meaning that is not easily deduced from its literal definition. We will examine the meaning of the idiomatic devil expression to take the hindmost, from where he came and some examples of his use in phrases. The devil takes the obstacle is a phrase describing a situation where someone thinks only of himself and his interests, leaving others to deal with their own destinies. Hindmost is an adjective that describes the person who is the far from the front or what is on the back of a line or group. The idea behind the meaning of the devil's saying to take the obstacle is a group of people who are persecuted by the devil. People who take care of themselves and run away without thinking about others who can be slower or late, will be safe. It is believed that the devil took the brink was a popular proverb during 1500. The composer Andrew Lloyd Webber used the term as the title of a musical number in his game, Love Never Dies, on stage in the West End of London. It is a sequel to his drama The Phantom of the Opera, which is the longest Broadway show running all time. The devil phrase taking the hindmost can be used as an admonishment not to allow others to drag you down, or as a comment on selfishness. The sentence is the hyphen when used as an adjective before a noun, as in the devil-take-it-hindmost. Examples of post-combated stabilisation responsibility in a combination of hands assumed in Raqa and terrorist mass murderers-abetting elsewhere cannot be any consequence to those who would call victory in eastern Syria as "fighting ISIS and devil taking improvity." (Newsweek Magazine) His first major speech rebelled against the "body greed and individualism of the devil", the "extractive and exploitative political systems" and the "self-lessness agenda" of the acquired interests. Definition: The last people, or people far behind, will not get any assistance from the larger group. Origin of the Devil Take the Hindmost This expression comes from 1500. The idea is that if everyone escapes, the devil will catch those who are farther away from the forehead. Therefore, if someone says this expression, it means that those in the back of a group are at risk. It is thought to come from children's games like tag, where who is left behind is the loser.XVI century, the meaning had been transformed into selfishness. A first example John John First fruits of 1578: each for him himself and the divinity for all. Another early example can be found in Beaumont and Pletcher in Filaster of 1608: what if ... Run it all away, and you cry the devil take it back? Examples of Devil take the forward the first dialogue shows a brother and sister running at a surprise concert. Luca: Ella, hurry! I just heard news that our favorite singer is giving a surprise concert in the center! Ella: it's great! How do we get tickets? Luca: this is the good news. The concert is free. Ella: What are the bad news? Luca: only the first 200 people can enter the concert. So let's get there as fast as we can. I'm sorry, but I can't wait anymore. Hell, take the back! The second example shows two friends on an excursion. Ray: wow! So many people have come to this excursion. It is nice to see this many people who enjoy nature. Ricardo: Yes. That's great. Ow! What was this? Ray: Ow! Something about me! Ricardo: Oh no! We're walking right in the middle of a group of fire ants! Ray, everyone! There are fire ants! Run and the devil takes the back! Abhhhh! Other examples This extract article concerns how states all wanted to be the first to hold their primary elections. The idea is that the last states are at a disadvantage. This is because the first states can influence candidates for the President heavily. This is the place where an innovation in the most recent iteration of the shifted primary IDEATION enters: when California previously tried to move its primary at the beginning of February 3, the other states relied on ancient dates in a sort of devil-more worn approach. â € "OC Register this extract is from a book review. It means that the poorest people are at a disadvantage. One percent of the U.S. population controls 50% of the nation's wealth. The current crisis has been preached on a handful of elites expropriated by large sums of the nation's industrial and social fortune, and the devil takes the lead. â € "The Summary Times The Devil idiom takes the first place is an expression that means the last people in a group will be unlucky.
