Calling the champions shadowlands

Image via Blizzard Entertainment Wow's first AWC season: Shadowlands arrived to anyone near an extraordinary season of a final of a final. The competence claimed the EU Regional Championship and the NaÀ method guaranteed the NA regional title. With a global prize pool of over \$ 200,000 on the line, the winning teams are going to offseason with gold medals and \$ 50,000 each. The image of Europe via Blizzard coated ability is entry into the finals as the clear team to beat and did not disappoint their fans. They started the weekend by overcoming the EU method in the quarterfinal before making a quick job of I believe in another 3-0 victory. The EU method has risen through the elimination bracket for a revenge. While the skilled ability once again took three maps without failing, the EU method was able to mount an impressive return that forces a six map. In the end, the capped skill has turned out too strong as the EU championship with a 4-2 victory. According to Maro, the reasoned capped ability demonstrated dominant was because a whole team is probably the best in their class in the world, they € king too much good.À € North America image via blizzard with none of the wheels betting on them To take the title, the Na method was a clear loser in a strictly contested region. Following an initial defeat of OTK 3-1 in the fourth of the final, the NA method then struggled to extract a 3-2 victory in the semi-final against Cloud9. The revenge was set after the deserved Cloud9 OTK in the elimination semi-final. Na and Cloud9 method brought everything they had for the championship game, the trading wins to force a seven game. Battling in the sewers Dalaran, the method The control of the crowd of na na is dominant while in the end he beat the cloud9 to finish the season one as Na regional samples. À, these are already your hands two of the best teams to always compete in the AWC, said David Hollings, AWC Program Manager. À € à,~ "The matches this weekend for both regions were so funny, even the sweep, which I never wanted to finish. I can't wait to see if the capped skills and the NA method are able to maintain This impetus in what is intended to be a season full of pressure 2 by the end of the year. "Although the AWC season has ended, the post-season retrocession cup is a suitable weekend from May 14th to 16 May, where the last two points will be filled for the second season. For dungeon-running fans, there is an imminent tournament after the relegation cup. The great thrust, the first event exported from the outside of the year, will happen during the weekend of May 28th to May 30th and streaming on Yootube and Twitch. Congratulations to XayaZtra and Xayarylin to become our 18th and 19th and 19 samples of iron Shadowlands! XayaZtra's iron journey has taken just less than 31 days to complete with a 2-day time / played, 6 hours and 37 minutes. XayaZtra is the 4th Xaya iron sample this expansion. This time around Xaya changed things that opt to make XayaZra a Troll Warlock. À € à,~ "No shadowmeld changes certainly many things. Tried right and discovered that it is good for challenges. Lost at least 2 before reaching 60s, À »XaYa chose the following leveling path for XayaZtra: À € à,~" à ie used for the more chromie time and stayed in Azeroth most of the time At 50, with some newspapers in Pandaria. After getting flight I also made chests in mop and wod, as well as exploring most areas. Crossing the Maw was not so difficult as I expected, after I chose à, À, À, À, À, à à à à à à à à à à «redic of destiny and necrolodes like my alliance because of them. capacity . Step from one area to another doing worldwide missions, while relatively secure missions and some bonus goals. "There were narrow calls while weird XayaZtra? À € à,~" carefully explored the various types of mobs and various world missions and bonus objectives. However, it has a close-up call when Blizzard changed the road À € à,~ À "Gormaggeddon - termin - XaYa has also reached the maximum level with its hunter orcing, Xayarylin, whose trip has taken a little more than 27 days to complete With a time / time, 20 hours and 44 minutes. Xayarylin is the 5th Xaya iron sample for Shadowlands. XaYa went with the Hunter class for Xayarino for the good of the personal tradition of him. À € à,~ "My first champion had always been hunters, but they were not yet for Shadowlands, so he had to correct it." The leveling paths can vary from class in class. My personal mantra is not " that every search is for each class when it comes to challengers. XaYa seems to feel this way for a degree also based on the leveling path that has chosen for Xayarylin. À € à,~ "When I used Chromie Time, as © A hunter is much more powerful than other classes I made many Missions to Cata, Pandaria, Legion and BFA, which I completely jumped on my other samples. I used BFA speakers to get to 52 before going through the Maw. For Shadowlands, I did everything I could in Renzertreth, then Bastione, then Ardenweat, and ended up in Maldraxxus.à, À € xaya made narrow calls while leveling xayarylin? À € à,~ "When it is very useful death is very useful for leaving the fight, he still managed to be in trouble due to the bad respawn twice, one who does À € à,~ À" dirty job: Wood workÀ € à,~ à "€ and another time it makes it" The Piaga XaYa has the following advice for those who attempt the challenge of Iron Man: À € à,~ À "scouting is the key. Especially at high levels, many mobs cannot be killed. Find out what you can kill and what you will kill you. À, à,~ What's next for Xaya? He's jumping on another challenger or will you take a break for a while? À € à,~ "I don't have a champion yet for the following classes: Druido, shaman, rogue and magician. In the end he will arrive at it, but now he focused on Shadowlands fly. À~ Congratulations once again on XayaZtra and Xayarino who become Our Iron samples of the 18th and 19th century Shadowlands!
